Paint Recycling

Many people have old cans of paint in their house. There are several things you can do to get rid of your old or unwanted paint cans.

If the paint is dried up, simply take the top off the can and throw it in your garbage bin.

Oil-based paint can be taken to the City of Fond du Lac Municipal Service Center located at 530 Doty Street in Fond du Lac. There is no fee for dropping off oil-based paint. Call 920-322-3450 for more information.

Latex paint can be disposed of in two ways:

- Take the top off the paint can and allow the paint to dry completely, then throw away in your garbage bin.

-OR-

- Add cat litter to the remaining paint until ALL the liquid is absorbed, then throw away in your garbage bin.
