Pledge of Allegiance

Motion: Tim Stopplesworth/Al Kamenski to dispense with the reading of the minutes and accept them as written. Motion carried 6-0.

Village insurance coverage:

Tom Henke with Cowles, Henke, & Kemmel discussed with the board their policies and insurance coverage.

Public Works:

Dan Redman advised they would continue manhole inspections as well as working on I & I. The public works committee is working on plans for sewer lateral issues. We did have to bypass at the WWTP last week. However snow was melting rapidly along with the large amount of rain we did receive. Early 2013 weather has brought several water main breaks in the village. With the rapid change in temperatures it is usually possible for the shift in the ground to cause the mains to break.

Public Safety committee:

Chief Schuster and Becky Farrell of BFG's are working on keeping snowmobilers off private property near and around BFG's. They are working through the complaints and doing their best to remedy the situation.

Parks:

Gary updated the board on the progress being made in the ball park rest rooms. An Epoxy coat finish has been applied to the floors. The finishing work is coming along well also.

News Letter Articles:

Please have any articles you would like in the newsletter to the village office no later than noon on March 25, 2013.

Adjourn:

Motion: Dennis Steinke/ Al Kamenski/ Motion carried 7-0

Respectfully submitted,

Tish Brooks
Village Clerk
